HUSINEC - REZ, MIDDLE BOHEMIA, ČESKO,
February 2, 2023 /einpresswire.com / -- IQ
Structures, a research and manufacturing
organisation focused on nanotechnology
engineering, today announced the appointment of
Fabio Tremolada as a new member of the board of
directors. Fabio has over 25 years of experience in
the field of document, banknote and product
security at Hologram Industries, SICPA and SURYS.
He will work with Petr Franco and Robert Dvorak in
the three-member board of directors, and has been
in his new position since 1 February.

Fabio brings a wealth of expertise to IQ Structures,
having contributed to the double-digit growth of
SURYS during his time as CEO. He will thus support
the continuation and acceleration of the great
growth that IQ Structures is undergoing at this
stage. Fabio holds an MSc in Physics from the
University of Milan and an EMBA from IMD in
Lausanne.

The CEO of IQ Structures, Petr Franc, said: "I have
known Fabio personally for 20 years. He is a great
professional and an expert in ID, document and
banknote security. We are excited that Fabio's
extensive experience will help us continue to grow
significantly in the international market. With his

skills, we aim to become a global leader in delivering unique ID and banknote security solutions.”

“I believe that IQ Structures possesses the rare combination of technology, know-how and human skills to become one of the leaders in the field of solutions preventing ID and banknote counterfeiting . I am thrilled to be able to contribute to the development and deployment of next-generation solutions protecting government documents and banknotes,” Fabio Tremolada added.
